**Paul Summerside, MD, among 30 of the Best  
Physician Executive Leaders of Hospitals and Health Systems**

Green Bay, WI, March 8, 2010 -- *Becker's Hospital Review* has announced that Paul Summerside, MD, MMM, is among 30 of the best physician executive leaders of hospitals and health systems. These are physicians who excel on the leadership side of healthcare in an extraordinary manner.

Dr. Summerside is Chief Medical Officer at BayCare Clinic. He is board certified in emergency medicine and has practiced emergency medicine in the Green Bay area since 1988. Summerside is a graduate of the University of Iowa College of Medicine, and completed his residency in emergency medicine at the University of Illinois. He holds a Master's in Medical Management (MMM) from the University of Southern California, and is also an active member of the American College of Physician Executives.

Focused on cutting-edge business and legal issues for hospital leadership, *Becker's Hospital Review* is filled with content that's most valuable for the person involved in making important business decisions for a hospital or health system.
