

# ***Lesley Bitters, RN, CNRN, BS***

**Title:** Director of Clinical Operations

## **Education:**

Lesley is a graduate of the Bellin College of Nursing and earned her Bachelor of Science in Business Administration from Cardinal Stritch University.

## **Responsibilities:**

Lesley is responsible for the effective and efficient performance of the company's clinical departments. She continuously evaluates clinic operations to promote growth and is accountable for payor contract maintenance and also the development of new service lines.

## **Experience:**

Lesley has been with BayCare Clinic since its inception in 1999. Her career path has included various nursing disciplines: neonatal and adult ICU and operating room experience in cardiac, vascular and neurosurgery. In 2002 she took on the Neuroscience Coordinator role for BayCare Clinic and Aurora BayCare Medical Center and has most recently been the Neuroscience Service Line Manager in Aurora BayCare Medical Center's Business Development group. Lesley is a member of the Association of Operating Room Nurses (AORN), the American Association of Neuroscience Nurses (AANN) and past president of the local AANN Chapter. Lesley is also a contributor to the *AANN Core Curriculum* for Neuroscience Nursing published in 2004.
