

# *Tammy Krueger*

Title: Legal Affairs Manager

## **Education:**

A graduate of Marian College, Tammy holds a bachelor's degree in Nursing. Tammy also studied healthcare law and earned a certification in Legal Nurse Consulting.

## **Responsibilities:**

Tammy is responsible for reviewing, revising, and providing significant updates of legal processes, regulations, and policies as they relate to health care administration. This position is responsible for drafting employment agreements and amendments for allied staff and medical staff, special project management, and strategic planning as directed by the CEO.

## **Experience:**

Tammy joined BayCare Surgery Center in 1994 where she served in the administrative roles of Director of Clinical Services and Executive Director of Ambulatory Services prior to assuming her current position. Tammy has also worked as a critical care RN in Milwaukee, served as the Director of Urgent Care and Manager of the Department of Surgery in a community hospital, and collaborated with several law offices as a Legal Nurse Consultant.
